

# HEALTH & HUMAN SERVICES

As a sub-contractor to Pepco Services, WMI completed fixture renovations at the Health and Human Services (HHS) facility in Rockville, MD. HHS is the largest office building in Montgomery County and houses in excess of 5,000 employees working on over 300 programs that HHS manages.

**In the first eight months HHS has saved 4,000,000 gallons of water, with the total annual goal of 6,300,000.**
